

Dear Phi,

Congratulations! I am proud to inform you that you have been awarded the University of Houston Academic Excellence Scholarship in the amount of \$4,000 per year over the next four years of your undergraduate studies, provided you meet the renewal criteria.

Each year, students who have demonstrated outstanding academic performance are chosen from the entering class to receive this award, and it is a great pleasure to share you've achieved this honor. In addition, as an Academic Excellence Scholar, you will also qualify for Texas resident tuition rates.

A formal award letter from Dr. Diane Chase, Senior Vice President and Provost, will be mailed to you soon, but I couldn't wait to share the news and celebrate with you early.

We think you're incredible — the kind of scholar who belongs and excels at a Tier One research university. We believe Houston is the ideal location to make friends, develop your passion, be challenged academically and hone your career aspirations. Make it to Houston and you can go anywhere!

Again, congratulations on your academic achievements that have earned you the University of Houston Academic Excellence Scholarship. If you have questions or want to share your excitement, feel free to reply to this message. I'd be happy to hear from you.

Go Coogs!
